To help you save for your future, your employer has set up a pension scheme with Royal London.

As it's a good idea to regularly review your plan to check it's on track, we've created ways you can check in and explore the benefits of your plan:

Visit the employee hub that matches your plan

When you exchange part of your salary for a non-cash benefit and as your salary is reduced, it reduces the tax and National Insurance Contributions (NIC) you pay. That's known as salary exchange.

If you're not using salary exchange but instead receive extra contributions from your employer and tax relief from the government, you can visit: yourplan.royallondon.com

Download the Royal London mobile app

The mobile app helps you stay up to date with your plan and gives you access to tools and guidance to help you get the most out of your pension savings and investments. Use the QR code to download the mobile app today.
