

Your bonus could help you **power up** your pension.

Did you know that you can choose to pay all or some of your bonus into your pension? And if you do so using bonus sacrifice with your employer you can also save on tax and National Insurance.

The value of investments can fall as well as rise and you could get back less than you pay in. Tax treatment depends on your individual circumstances and where you live in the UK. Tax rules and legislation can also change in the future.
